MidWest Homes for Pets takes “bigger is better” to a new level with MidWest's Hoppity Habitat Plus, the expandable rabbit habitat designed with small pets and owners in mind.

MidWest Hoppity Habitat Plus is durable, affordable, and gives rabbit owners the option of providing more room to roam, exercise, relax and explore than ever before. MidWest Hoppity Habitat Plus sets up easily in seconds with no tools needed for assembly. It features an extra large lift top opening and four large removable side doors with secure locking latches, providing multiple ways to interact with your pet. The durable, slide-out ABS plastic pan with locking pan stops is easy to install and remove from all four sides for trouble-free cleaning and cage maintenance.

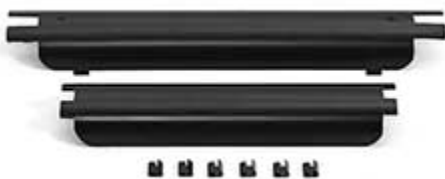

MidWest Hoppity Habitat Plus' one-of-a-kind modular design provides options for numerous configurations and unlimited expandability. Use two, three, four, or more MidWest Hoppity Habitat Plus cages and Connector Kits and you can create extra-long rabbit runs, L-shaped, Z-shaped, or T-shaped cages . . . you (and your pet) can decide!

Midwest Homes for Pets brings you a variety of cages that provide your pet safety and comfort while meeting your need for convenience and peace of mind. Feel free to explore and learn about this section. You might find that the MidWest Hoppity Habitat Plus cages are the perfect fit for your furry friends.

Modular Design Allows you to combine configure and join multiple Hoppity Habitats together to form the perfect home for your rabbit!
